Dear Chief Bennett,

On behalf of all of the Northern Youth Centre staff, I would like to extend my gratitude for the recent support, professionalism, and effective response time we have received from yourself and volunteer fire fighter Joelle Crowley on November 8, 2010, at the Northern Youth Centre.

**Your staff's dedication often goes beyond the call of duty and we are all very appreciative of the assistance in times of need. We look forward to your continued support and would appreciate in forwarding our gratitude to Joelle.
Sincerely,**
